**Educational Training on Clean Energy Technologies for GCE(A/L) students in Science and Technology streams
in the Jaffna District of Sri Lanka**

Training of Trainers (TOT) programme

The Jaffna Science Association and Provincial Department of Education, Northern Province in collaboration with University of Jaffna and Western Norway University of Applied Sciences intend to provide educational training on Clean Energy Technologies to the GCE (A/L) students in Science and Technology streams in the Jaffna District.

Applications are invited from eligible school teachers, who teach Engineering Technology/Physics/Chemistry at 1AB schools in the Jaffna District, to serve as resource persons in this initiative. The selected teachers must attend a one-day Training of Trainers (TOT) programme on clean energy technologies (solar, wind, hydro and bioenergy technologies, etc.) to be held in October/November 2017.

Interested teachers are requested to complete the application form (given below) and post the signed application to **Jaffna Science Association, No. 84, College Road, Neeraviyady, Jaffna** or e-mail a scanned copy of the signed application to **thejsaorg.office@gmail.com** by stating 'EOI-TOT Programme on CET' as the subject of your e-mail correspondence.

Closing Date : 22.09.2017

General Secretary/JSA

Expression of Interest (EOI) to serve as a Resource Person
